Update your profile

Schedule a COVID-19 Test

When you arrive at the test site, a staff memeber will ask if you have [symptoms of COVID-19](#)

If you do not have symptoms of COVID-19, you will be offered PCR testing. PCR tests are sent to a lab for processing.

If you have symptoms of COVID-19, you will get swabbed twice to collect two specimens. The first swab will be a rapid antigen test. The second swab will be sent to a lab if needed.

Parents/Guardians may now schedule appointment for themselves and their dependents under the age of 16 at the same time.

Select an individual below to schedule for:
